

## FLAGSTAFF WATERSHED PROTECTION PROJECT

**Work Teams and their interaction/roles:** executed by MOU, Participating Agreement, Cooperating Agency MOU, 5-Year Work Plan, Annual Work Plan/Supplemental Project Agreement(s), and other formal (and informal) discussions/decisions by the City and USFS (jointly and/or independently: if the later, to be communicated to other party).

## FLAGSTAFF WATERSHED PROTECTION PROJECT

***Role of the Greater Flagstaff Forests Partnership (GFFP):*** executed by  
Scope of Work Amendment #1 to existing "Professional Restoration Initiative Services  
Agreement" between City of Flagstaff and GFFP

**Outcome: Information to City & USFS**

**Intent: Inform/enhance overall decision making process**

**Use: During planning, implementation, and monitoring efforts**
